WILL REPORT TO GLYNN, READY FOR UPRISING.

Wants Necessary Laws Passed Guns Planted on House Tops to Halt Big Revolt Planned Before Any of Second for Next Monday. \$50,000,000 Is Spent.

York out of politics and do it nowthis is the war-cry of James W. Osborne, who was appointed by Gov. Glynn, under the Morland act, to investigate the Highways Department. He intends to follow it up with a commendation to the Governor for cessary legislation

OUT, OF POLITICS

iticians Must Be Broken, De-

clares Investigator Osborne.

Mr. Osborne at his office, No. 115 Broadway, to-day issued a statemen which he mid:

"Although my investigation of Highways Department is very far from being completed—I shall return to Albany Tuesday to continue it-l highway system of the State of New York must be taken out of politice once for all. Many millions of dollars have been all but wasted ble for the Guadaloupe reports. through the alliance of contractors

the system, who control the selection of executive officers, the choice of routes, the letting of contracts and the work of construction and repair are chosen for political reasons; as of alliance between politicians and contractors doing work upon the highways; so long the work of highstruction and maintenance will be tainted with corruption and will manifest inefficiency

"I know as well now as I shall know after months of further investigation that I shall recommend to Gov. Glynn legislation to remove the entire highway system of the State from the field of party politics. It ought to be done at the earliest possible moment—before we expend a dollar of the new \$50,000,000 fund."

#### THIS POLICEMAN READY WITH CLUB FOR GUNMAN

Had Comrade's Death in Mind When He Smashes Italian Who Displayed Revolver.

Policeman Schwarts of the Fifth station was suspicious of a stocky Italian whose shirt colnear Eleventh street early this mornwindow. Mrs. Newberger reported at ing. Schwartz followed and had his eye on him as be stepped into a door way near Thirteenth street and stoo there as though waiting for some on to pass along. The policeman slipped up then un

beerved and instantly began to feel the suspect for a revolver, on the alert meanwhile with his nightstick. He was ready, therefore, when the Italian shot his right hand down and dipped a revolver from his sleeve into his fingers, exactly as did Giuseppi Mirenda, who shot and killed Policeman Murtha in Brooklyn on Thurs

Schwarts had Murtha's death is mind and he brought his nightstick down on the Italian's hand with such force that the weapon was sent flying into the street. Another blow, this one on the head, almost stunned the gunman and Schwarts led him to the station. He said he was Frank Fer-rando of No. 513 East Fourteenth

street.

He would not say why he was loitering in the street, but the police suspected he was waiting for one who had just "done him up" in a fight. He was charged with violating the Sullivan law.

#### RUSH THE COUNTY CLERK.

ore Business in His Office Her

Mr. Mulford's home, one of the show places of Montclair, which he erected reently at a cost of \$90,000, is at No. 150 South Mountain avenue, and his garage and stable are behind it.

He returned from a ride last night and drove into the garage with his chauffeur to see to something about the car. Erlacher went to the steam heating plant to fix it for the evening. As he stepped close to it the steam gauge burst and he was enveloped in scalding steam.

Mr. Mulford and his gardener went to his aid and the jeweller was in the full force of the steam for several seconds. When he dragged Erlacher away he was unconscious and Mr. Mulford had him removed at the rate of fifty a minute." crease in this county," said Mr. Schnei-der. "My office to-day is the most pop-niar in the world. Papers are filed here at the rate of fifty a minute."
